

MOUNTAIN CRAFTSMAN STYLE HOME

Rustic Elegance

WERDERITCH
CONSTRUCTION INC.

CUSTOM RESIDENTIAL & COMMERCIAL

This beautiful home is built by award winning **Werderitch Construction Inc.**, known for their fine custom homes, full-service remodeling, and the design and construction of office buildings and other commercial spaces.

This gorgeous mountain craftsman style home sits on a dramatic 1+ wooded acre in prestigious Timberhill. Impressive rustic exterior of stone, cedar shakes and timber accents draw you into this fabulous home.

Natural elements of rich hardwood floors, premium moldings, travertine and granite are used to create a rustic elegance. Multilevel walkout basement with volume ceilings and fireplace.

\$1,300,000
